

Brent Anderson has been an enthusiastic and avid barbershopper in Santa Barbara CA since 1975. He's a member of both the Santa Barbara Chapter and the Rincon Beach Chapter, in the Far Western District of the Barbershop Harmony Society. He's an active quartet man as well as chorus performer, and also enjoys Emcee work and is frequently seen in that role at barbershop shows, conventions and contests.

In "real life" he owns a successful Financial Services agency in Santa Barbara, and he's married to Sue and they have four children and nine grandchildren. Most recently, his quartet performance experience has been made even more enjoyable as his 19 year old daughter, Courtney, is the current tenor in his quartet.
