

Drayton Justus

Drayton Justus, Immediate Past President of our Barbershop Harmony Society, is a retired university human resources administrator, sang in barbershop quartets in high school and college, and joined the Society early in 1961 to direct a chapter chorus. He holds university degrees in music education and human resources management, and a Doctorate in Education from West Virginia University. Drayton is only the second Society President to have also won the Society quartet championship (Gentlemen's Agreement, 1971). He sang lead for several years with the 1961 champions, The Suntones. Drayton and wife, Sue Ann, a long-time active and multi-talented Sweet Adeline, share and provide mutual support in their chosen "way of life"--barbershop harmony! The Justuses reside in Powder Springs,

Georgia, and are quite proud of their family of nine children and fourteen grandchildren.
